Search more quickly:

Thanks to the search function of Adobe Reader you can find the code you want.

To activate the "Find" function you must press "CTRL" + "F" together :

Once the rectangle appears, look for the code you want, for example "MF34" and finish by pressing enter.

MF34

If the document contains the code you entered, it will highlight all the codes in your search:

AGCO do Brasil	MF34	Combine
	MF5050	Combine
